

TATACARA MENGAkses PANGKALAN DATA SCIENCE DIRECT & SCOPUS DARI LUAR KAMPUS

1. Layari senarai pangkalan data di portal Perpustakaan Laman Hikmah (<http://library.utm.edu.my/en/online-databases.html>)

The screenshot shows the library website interface. At the top, there is a navigation bar with logos for the Malaysian Ministry of Education and UTeM, and menu items: HOME, ABOUT US, RULES, STAFF, ARCHIVES, GUIDES, FAQs, and READ@UNI. Below this is a search bar with the text "Search through our databases..." and a "Search" button. To the right of the search bar are icons for various services: ONLINE DATABASE, RESEARCH RESOURCES, E-JOURNAL, TURNITIN, USER EDUCATION PROGRAMME, and USER ACCOUNT. The main heading "Online Databases" is visible at the bottom of the screenshot.

ACCESS Engineering
Authoritative content. Immediate solutions.

McGraw-Hill's Access Engineering features content from 150+ McGraw-Hill publications. It is structured around 12 major areas of engineering and more than 200 topics, allowing users to quickly narrow their search down to their specialized information needs. Access restricted to UTeM campus network connections.(Abstract & Fulltext).

2. Pendaftaran kali pertama sama ada dilakukan didalam atau diluar kampus diperlukan bagi pangkalan data Science Direct & Scopus dengan menggunakan email UTeM sahaja.

The image displays two screenshots of a library website's 'Online Databases' section. The top screenshot is for ScienceDirect, and the bottom is for Scopus. Both pages feature a 'Subject' filter with 'All' selected, and a 'List of all databases' on the left. The main content area contains the database logo and a paragraph of text. In both screenshots, two words in the text are highlighted with red boxes and labeled with red arrows: 'HERE' (labeled 'Pendaftaran kali pertama') and 'HERE' (labeled 'Pengaktifan remote access'). A blue 'Click Here' button is also present in both screenshots.

ScienceDirect

ScienceDirect offer online access to a selection subject field that UTeM subscribed. The subject are Business, Management and Accounting, Computer Science, Engineering and Technology and Materials Science. Full-text online access is part of a print subscription. You will be able to browse library subscribed journals and access the articles (PDF & HTML) published from 1995 to current issues. This year the journal covers all backfiles from oldest until 1994. Access restricted to UTeM campus network connections. Off campus access require users to register **HERE** using only UTeM's email by following this guide **HERE**. This will enable access to Scopus and Sciencedirect.

Scopus

Scopus designed to find the information scientists need, quick, easy and comprehensive. Scopus provides superior support of the literature research process. Access restricted to UTeM campus network connections. (Abstract only). Off campus access require users to register **HERE** using only UTeM's email by following this guide **HERE**. This will enable access to Scopus and Sciencedirect.
