Open access

Publishing open access with us (gold OA) lets you share and re-use your article immediately after publication.

The article processing charge (APC) to publish your article open access is:

Article processing charge
(excluding local taxes)

£3780.10 / \$4080.50 / €4120.90

Some organisations will pay some or all of your APC.

We will now check whether your APC is covered by any of our agreements.

If you want to publish subscription, instead of open access, there will be an option to do that in the following steps.
